<b>BBQ in Park 11 am – 4 pm</b>			

## Safe Cycling Practices

- Ride in bike lanes when available.
- Ride as far to the right on roads as is safe.
  - Move left as required to avoid hazards.
  - Take the lane when it would put you in danger for a vehicle to pass.
  - Take the lane to make a left turn.
- Call out approaching vehicles: “Car Up,” “Car Back.” Move right as practical and into single file to permit vehicles to pass.
- Point out road hazards to the cyclist behind you.
- Signal your intentions to slow or stop and call out “Stopping.”
- Pass other riders on the left and call out “On your Left.”
- Leave the road completely when stopping.
- Ride defensively; Be alert; Be predictable; Anticipate problems
- Obey traffic laws . Always honor right-of-ways at intersections.
- Be courteous and acknowledge other cyclists.

## Be Respectful of Residents

The residents along the route are our neighbors and their support is essential to the future of the Wine & Roses Event. In addition, as locals, we ride these roads on a regular basis and it is important to maintain a good relationship with them. I’m sure the same thing applies to your local riding area.
